Benefit Lunch

On October 18, there will be a benefit luncheon at the church building after services for Mary McDonald's sister, Lucille. The family needs to raise additional funds to help her with the expenses related to her stem cell transplant. Her family has donating all they can, but are still short. Her portion of the medical process to treat her leukemia for the last three months is already over \$10,000. Please pray that the group of churches in Houston come through with an apartment at a reduced rate. If you would like to help out in any way, please see Mary McDonald.
