We are encouraged and challenged by a message from God's word.

We meet together to share our lives and gain strength in our daily walks.

Bastrop Church of Christ

January 17, 2010

Welcome!

We are delighted that you chose to worship with us today. We pray that you will be blessed by being here today, as we are blessed by your presence.

Children's Church

We are in the process of making a new Children's church schedule for the teachers, assistants, and teen helpers. We are looking for anyone not already helping that would like to help out in Children's Church.

Teachers- lead the class and teach the lesson

Assistants- the adult helper

Helper- 6th grade and above helpers

We always need volunteers and we don't want anyone to feel left out. If you'd like to volunteer or have any questions, please contact Lyn Dowdy (772-3676 or brniis@mac.com).

LTC

Leadership Training for Christ (LTC) registration is going on now! LTC is open to young people from grades 3 - 12. The registration deadline is February 18. Forms are available in the foyer. The completed form plus your registration fee of \$35 per participant needs to be turned into Tracy Waldron no later than Sunday, February 14. Changes, after February 18, can be made to the events but you must have already been registered and paid.

Volunteers are needed to help prepare the kids for the events. We would like to do Chorus, Live Drama, and Puppets. But we need help facilitating the planning and practice. We will be working with the kids on their individual events on Wednesday and Sunday nights. We will start scheduling times on Sunday afternoon in February and March to work on group events.

LTC is a great way for our kids to develop their gifts and let them shine. It is also a great way for our youth to work together and get to know each other better. Did you know that we have at least 35 kids between 3rd and 12th grade?

Lost and Lost

Missing: One pair of prescription eyeglasses. They were last seen at the welcome desk in the church lobby on New Year's eve. If you have seen them or know where they are, please talk to Max Proctor.

Missing: One portable overhead projector and screen. This equipment is vital to the classroom instruction and if you have borrowed it or know where it is, please contact either David Waldron or Max Proctor.
